Parkland  
Food Bank

12:00 PM - 1:30 PM

105 Madison Crescent, Spruce Grove, AB

Your adventure begins with a sumptuous lunch and exhilarating tour of the Parkland Food Bank. This famed sports city was the home of NHL goaltender Grant Fuhr, Olympic skier Jennifer Heil and Keith Shogolan from our very own CFL. In a sports town, it seems only fitting that your lunch is being provided and sponsored by The Canadian Brewhouse. Just like these great athletes, the Parkland Food Bank team wows their clients with their ability to deliver a hamper every 2.7 minutes that they were open in 2017! Stop in to learn their performance secrets and to fuel yourself for the rest of your journey.

WEE  
Food Bank

1:30 PM - 3:00 PM

5019 - 50 Avenue, Entwistle, AB

The next stop on the road to Jasper is at the WEE Food Bank (Wildwood, Evansburg and Entwistle). This food bank may be tiny but they are mighty on impact and community involvement. Not only will you be treated to dessert and coffee, you will also learn how they service such a large geographic area and how these communities band together. Evansburg may be the official Home of the Grouch (see his official bench outside the Post Office at #10 Frowning Street) but there is nothing grouchy about these great volunteers!

Edson  
Food Bank

2:30 PM - 4:30 PM

4511 - 5th Avenue, Edson, AB

Let the sugar high of those tasty treats carry you away to our next stop at the Edson Food Bank. Edson may be just a town but up until last year this town was known for hosting the largest slow-pitch tournament in the country! Make your stop here for some snacks, something to quench your thirst and learn what makes this food bank so special.

Hinton Food Bank

4:00 PM - 5:30 PM

1B, 111 Government Rd, Hinton, AB

Our last stop on our journey to Jasper is at the Hinton Food Bank. If you are tired of being in the car you can enjoy the BEAVERBOARDWALK trail which offers 3 km of fun within town boundaries. Or if you are looking for a little adventure, you can stop at the first ever Mountain Bike Park in Alberta which is still one of the best. Or maybe the excitement of learning how this food bank custom fills baskets each and every week with 10 volunteers to fill up to 75 baskets in an 1.5 hour period. Don't leave this stop without filling your bellies with a great supper provided and sponsored by The Canadian Brewhouse.

Sawridge Inn Jasper

7:00 PM - 10:00 PM
